

Singapore, taking the lives of 10 of our sailors:

Electronics Technician 2nd Class Kenneth Aaron Smith of Cherry Hill, New Jersey;

Electronics Technician 1st Class Charles Nathan Findley, St. Joseph, Missouri;

Interior Communications Electrician 1st Class Abraham Lopez, El Paso, Texas;

Electronics Technician 2nd Class Kevin Sayer Bushell, Gaithersburg, Maryland;

Electronics Technician 2nd Class Jacob Daniel Drake, Cable Township, Ohio;

Information Systems Technician 2nd Class Timothy Thomas Eckels, Jr., Manchester, Maryland;

Information Systems Technician 2nd Class Corey George Ingram, Poughkeepsie, New York;

Electronics Technician 2nd Class Dustin Louis Doyon, Suffield, Connecticut;

Electronics Technician 3rd Class John Henry Hoagland III of Killeen, Texas;

My constituent from Decatur, Illinois, Interior Communications Electrician 3rd Class Logan Stephen Palmer.

Although I never had the chance to meet Officer Palmer, his parents and his friends remember him as a committed sailor, a loving son, and a brother.

The service and sacrifice of these brave men is not lost on this House and will always be remembered by the country they dedicated their lives to serve and protect. This accident is a grave reminder of the risks our service-members and their families take on for our country and all of us each and every day.

Mr. Speaker, I ask the House to join me in a moment of silence to honor these sons, brothers, fathers, and patriots for their service to our Nation and to pray for their family and friends during this difficult time.

**SUPPORT DREAMERS**

(Ms. ROS-LEHTINEN asked and was given permission to address the House

for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, the tragic announcement made by the Trump administration to kill the DACA program is heartbreaking, reckless, and wrong. This decision means that our country is turning its back on 800,000 young, hardworking immigrants who only know America as their home. Each of these DREAMers has a compelling story and a desire to pursue their educational and professional opportunities, while strengthening our Nation.

Mr. Speaker, that is why I am proud to have introduced the DREAM Act along with my good friend, Congresswoman LUCILLE ROYBAL-ALLARD, to give these young individuals the certainty to plan for a future in our great country, their great country. For too long, their dreams have been put on hold and they have been living under constant fear.

I call on each one of my colleagues, Republicans and Democrats, to come together so that we can pass a legislative solution that is humane. This is long overdue, Mr. Speaker. Let's not wait months for a vote. The lives of hundreds of thousands of bright, talented, and patriotic young men and women are at stake.

Mr. Speaker, let's show now that Congress does indeed have a heart.

**HURRICANE HARVEY**

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, to all of my colleagues and the American people, thanks so much for the outpouring of love from volunteers, first responders, and so many rescuers that came to Hurricane Harvey.

Let me thank my mayor, Mayor Turner; the county judge, Judge Emmett; all of the commissioners and council members. Let me thank, most of all, our first responders and all of those who sacrificed their lives; some who died, an officer who died. Let me thank the Marines, the Navy, the Army, and the Texas National Guard. Let me thank the people who suffered through and are still suffering through this disaster, the most significant historic natural disaster in the history of the United States.

They are needing food and shelter still. They are needing the help of this great Congress. They are needing love and prayers, and I am prayerful that we will go together, walking together, and providing the money that these victims need.

Let me give you a sad story. As I left Houston today, announcements were coming to those in apartments: You are evicted, with no place to go.

Yes, the apartments were destroyed, but there is no place to go. We need a continuing effort to be able to help them. We need the EPA to inspect the various chemical plants, and we need

FEMA to be staffed more, and to be able to address some of the funding needs that we have.

The debris is unbelievable; maybe \$200-plus billion, but all I can say is that the lives were lost, but we are still prayerful.

To the Saldivar family who lost four children in a drowning: My prayers are with you.

We continue to lift them up, and work as Americans to make sure they are whole.

God bless the people in the southeast where Irma might come.

Mr. Speaker, I conclude by simply saying: Please don't let the DACA young people be thrown out in this devastating time. They, too, need to be embraced.

**ANNUAL AUGUST BUS TOUR**

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, each August, I conduct a bus tour of South Carolina's Second Congressional District with my wife, Roxanne, and dedicated staff members from all offices. I would like to specifically recognize scheduler Emily Saleeby for this year's very meaningfully coordinated schedule.

It was humbling and inspiring to meet with constituents and visit 30 locations from small businesses and schools to local chambers of commerce and large employers. I took the opportunity to thank employees for their service, and employers for creating jobs in all five counties I represent.

Many of the businesses were multi-generation success stories, such as Form Tool Technology in Elgin founded by Mike and Roxann Robbins; The Marwin Company in West Columbia led by Andy Davis; Anovotek in Barnwell founded by Don Alexander; and Hansen International in Lexington led by Lisa Beebe. The pro-development policies of South Carolina were also highlighted by Kimberly-Clark corporation's largest manufacturing facility in North America located in Beech Island with 2,000 employees.

I am additionally grateful for Principal Anna Miller of Chapin Middle School; Dr. Sandra Jordan, chancellor of USC-Aiken; Director Sandra Sigmon of North Family Community School; and Principal Jacqueline Kasprowski of Cardinal Newman High School for their emphasis on proactive education across the district.

A final stop was to thank Gary David of WVOC Radio in promoting relief efforts for the recovery of Hurricane Harvey in Houston.

Additional stops included BAE Systems hosted by Michael Eaton, Aiken Rotary Club hosted by John McMichael, Jr., Hubbell Power Systems hosted by Pete Swales, Ahh Sunshine hosted by Jim Hanna, CVS Caremark
